We are currently accepting applications for the full-time class that starts in August 2023. The application deadline for full-time admission is May 1, 2023.

Applications for the part-time program that begins January 2024 will be accepted until August 1, 2023.

Registration for a pre-admission assessment is the first step in the practical nursing program application process. (This is not the entrance exam.) The pre-admission assessment will evaluate whether you have the academic skills required to successfully complete the practical nursing program. Successful completion of the pre-admission assessment is required to sit for the PN entrance exam, called the TEAS[®] exam. Remediation and retesting is offered to students who do not successfully complete the pre-admission assessment. You can then submit your application to the CSLPNCC.

To complete an application for admission to the full- or part-time Practical Nursing Programs, please follow the procedures below:

Application Form and Fee

1. Complete and mail the application. Please call the LPN Center for current application deadlines.
2. Include a money order for the \$75 fee (covers application fee). Make your money order payable to "CSLPNCC." This fee is non-refundable.

Transcript/GED Certificate

1. Request your high school to send us an official copy of your transcript with the Official School Seal. Applicants with foreign transcripts should contact the LPN Center regarding additional requirements.
2. If you have a GED, we must receive a copy of the scores. Applicants with non-Pennsylvania GED's should contact the LPN Center regarding additional requirements.
3. For consideration of college credits, forward a college transcript to the LPN Center.

References

1. Please provide along with the application two (2) letters of reference from anyone who is familiar with experiences you have had in nursing. If you have had no experiences in nursing, please use people who can verify your character (NOT family members). We would prefer that you use supervisors, teachers, or other health care professionals as your references.

Pre-entrance Exam

1. The pre-entrance exam is required.
2. After submitting your application, you will be notified by mail of the next available testing and how to register for the testing.

For further information, please contact the Career Center at (570) 768-4960 ext. 2900 or go online to www.csiu.org/lpn.
