# Senior Editors say farewell

Hello BHS.

As you may or may not know, I have been the Senior Editor-in-Chief of this Newspaper for the past year. I mostly work on proof reading and layout, as I'm not always the best at putting my thoughts into words, but as this year draws to a close, I feel as though I should try to express everything that I have been feeling these past few months.

For the first few years of high school, I saw my senior friends graduate and dreaded the day that I would follow in their footsteps. I'm a very emotional person, so a year full of lasts sounded like it would be a never-ending period of sadness for me. What I didn't realize was that all of those lasts came with just as many firsts.

As one chapter of my life comes to an end, another begins. While I am sad that my time here at BHS is over, I am overjoyed to start the next chapter of my life. After much deliberation on the subject, I finally decided to attend Carnegie Mellon University in the fall and cannot wait to have new and exciting experiences there. High school was full of ups and downs, and while I have no doubt that college will too, I have confidence that we will all survive and become better for it. Good luck to those of you who are continuing your high school experience, and to those of you moving on to the next chapter of your life, I wish you every success and happiness.

**Best Wishes!**

Dear Berwick High School,

As I begin my preparations for college, my mind is flooded with beautiful memories from the Berwick High School Music Department. Who would even begin to think that a single wing in the school could hold this big of an impact? I am so grateful for the memories, the growth, the knowledge, and the friendships that I have been blessed with from this department.

When I joined the band in fourth grade, I never imagined that it would lead me to my lifelong friends, musical growth, and amazing opportunities. Whether it was marching or concert band, I was always happy. The gruelling rehearsals, the challenging music, the busy schedule-it was always worth it.

When I joined the chorus in fourth grade, it opened many new doors for me. Who would think that I would compete at the regional level, accompany for a large chorus, or become a respected Mod-ernaire? While it could be hectic, I loved the choral department and everyone in it.

I joined orchestra in seventh grade, not thinking anything of it. I bounced around a few sections, starting off with cello, switching to viola, coming back to cello, and even occasionally playing piano. Orchestra was always the underdog ensemble, and never failed to impress our audiences. My experiences in orchestra always had me re-enrolling every year.

As I go, it hurts to leave my underclassmen peers behind. To all of the young blossoming musicians, never doubt yourself. Go out for the solo, audition for districts, become a Modernaire/Modern-knight, try out for that lead role. There is so much ahead for you. Enjoy those 90-degree rehearsals, the 10-hour District Pre-Aud days, the after-school rehearsals. I know it will seem torturous at the time, but you never know how much you will long to go back. This Music Department is so incredibly talented. Whether it is the band, the chorus, the orchestra, or the cast of our musicals, I am always amazed with what my peers and I can put together. Berwick is gifted with excellent musical faculty that is dedicated to helping students find their ultimate musical potential. I will always remember these takeaways as I embark on my collegiate journey. Thank you for the music, BHS.

With Gratitude,  
Maya Kile

## MAYA KILE

*Features Editor*

On May 15th, 2021, Berwick High School held their Junior/Senior Prom at the West Side Grove from 6PM to 8PM.

Earlier in the week, the 2021 Prom Court was announced. The court included Kennedy Brown, Analiese Eisenhauer, Genevieve Johnson, Maya Kile, Jacqueline Nevel, Abigail Seely, Ciara Yoder, Isaiah Bomboy, Hagen Carroll, Logan Noroski, Caden Reader, Cody Smith, Devon Smith, and Logan Witner. At 7:15PM, the crowned royalty was King Devon Smith and Queen Jacqueline Nevel.

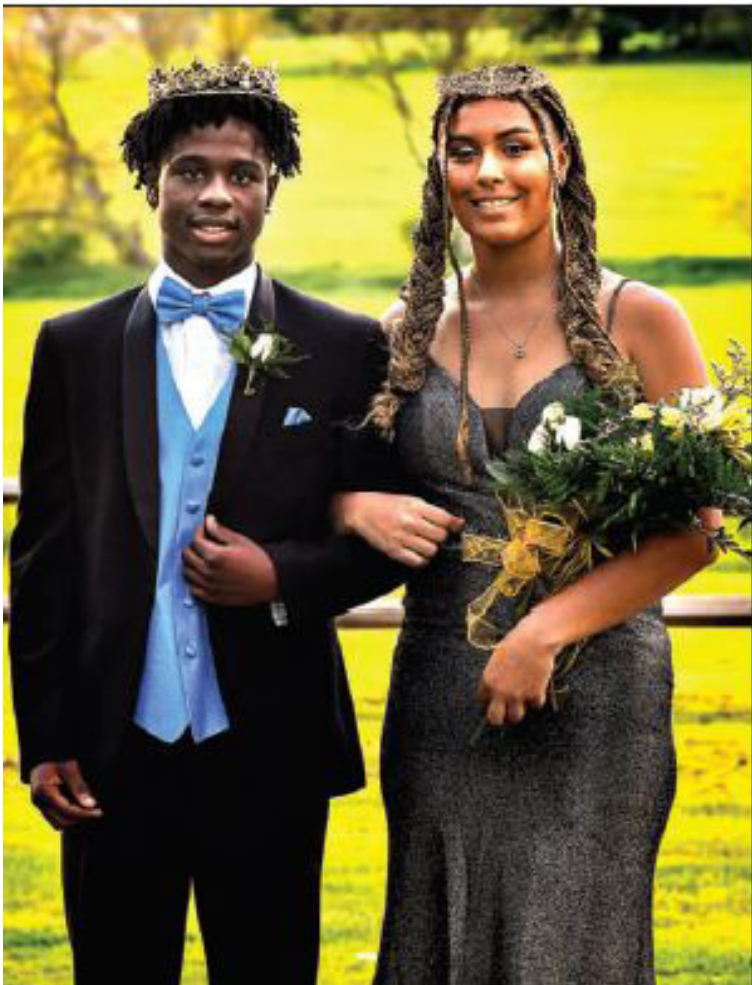

The theme of the night was "The Roaring 20s". Although it was an outdoor event, the grove was decorated in an elegant white and gold theme. There were tables for light conversation, and a dance floor for the party. Prom favors were also distributed as a memorable token for the evening.

Despite having an unconventional school year, there were many smiles to be seen at prom. It was a great night for everyone, and the student body is very grateful to have been able to celebrate it.
